

August 13, 2025

Dear Valued Patients,

We have a transition occurring soon at our office. We will be converting from private practice to hospital employment at the end of September. This change should not be significantly disruptive to your care.

**Many things will not change:** The physicians of the practice, Drs. Schieber, O'Connor, Franzen and Lehoczky will remain the same. Our location; we will remain in suite 720 of Medical Plaza I. Almost all of our fantastic staff will stay with us. Your scheduled appointments do not need to be altered. Most importantly, our relationships with our patients will be uninterrupted.

**A few things will change:** Our phone number. After September 28, 2025, our phone number will be 816-631-7450. Please update your phone contacts. Our name. The name on the door will be St. Luke's Women's Health Plaza. Our electronic medical records. We will be transferring to Epic, which will streamline your care. We will have access to your previous history. You may be asked to sign a record release, but we have the information.

**The transition is effective Sunday, September 28, 2025.** This is when Lintecum and Nickell, P.C. will be closing operations. We anticipate a few days where the office will have limited availability due to construction, but we will be available for urgent issues.

If you decide to continue receiving care with us, you do not need to take further action. Any appointments that are already scheduled will transfer with the same date and time.

If you choose to seek care elsewhere, please contact us at the address below or call 816-531-2111 to arrange for the authorization to release or transfer your medical records.

We look forward to joining Saint Luke's and continuing to provide quality care to our patients at the same location. We are grateful for you, our patients, and appreciate your patience and cooperation during this transition.

Sincerely,

Joan Schieber

Aubrey O'Connor

Monica Franzen

Lucy Lehoczky
